Discoveries

**Gardening** with Succulents

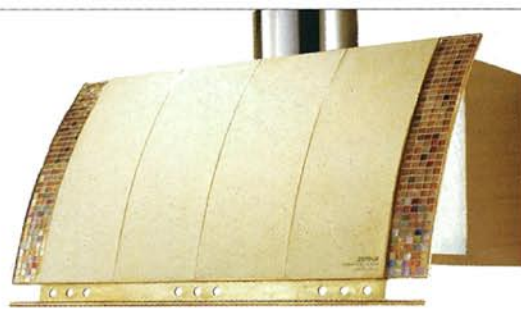

**Racy Italian** Snaidero's Venus kitchen by Ferrari car designer Pininfarina is customized for the user; price on request. Available in multiple colors and finishes, including optional ebony wood and a Microtouch leather-like eco-friendly finish.

**Adjustable Ease** Thermador's stainless-steel chimney-style Drawer Hood with touch controls extends up to twelve additional inches for 45 percent more cooking-area coverage, helping to eliminate odors more efficiently; \$1,799.

**Fit To Be Tiled**

The mosaic tiled Padova hood for Zephyr is inspired by Italian architecture and designed by Fu-Tung Cheng; price on request. Customized options include ribbed glass and various Italian Marmorino plasters.

**Shine On** Blanco's solid-brass, chrome-finish Meridian single-lever faucet is also available in a stainless satin nickel finish; \$335.

**In Touch** Sonoma Forge's SansHands e-ON faucet is triggered by the human body's electrical current; \$2,550.

**Pot Luck** Kallista's solid-brass One™ pot-filler faucet may be wall- or deck-mounted; \$937. Offered in various finishes.

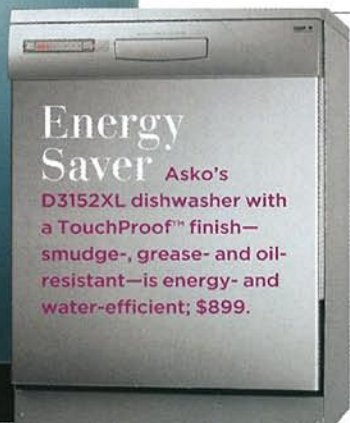

**Country Chic** Perrin & Rowe's Country Triflow kitchen faucet in polished chrome for Rohl features two levers and a swivel spout; \$1,369.

**KITCHEN** appliances are loaded with energy-saving technologies, improved functionality and a wide range of design options.

**Quiet Type**

Daçor's Preference dishwasher (shown here with a slate-green glass front) is rated as one of the quietest dishwashers of its kind; \$1,699.

**Energy Saver** Asko's D3152XL dishwasher with a TouchProof™ finish—smudge-, grease- and oil-resistant—is energy- and water-efficient; \$899.

**Farm Fresh**

This Farmhouse Duet sink with a hand-hammered nickel finish is by Native Trails, and offers a large and a small basin; \$4,428.

**Station Master**

KWC's freestanding stainless-steel Waterstation features a mahogany cutting board and a draining tray that rotate around a central faucet; \$12,000.
